629 Semi Gloss Silver Polyester EnduraLabel

Description: This semi gloss silver polyester is a premium product, utilizing a special adhesive technology that is designed primarily for rough or low surface energy plastic surfaces used in the automotive industry. The product has high initial tack, yet is briefly repositionable, and the adhesion increases to very high ultimate peel strength. The combination of face-stock and adhesive is engineered to be resistant to harsh chemicals commonly found in the automotive and electronics industries.

Application Surfaces: LSE plastics, lightly textured surfaces, and oily surfaces to name a few.

Recommended Thermal Transfer Ribbons: T68 and T84 resin ribbons

Regulatory Compliance: RoHS / Regulation 2002/95/EU
