430 Ultra Durable Plastic Tag

Description: This specially-engineered rigid gloss tag was designed for both indoor and outdoor applications where high quality, durable barcodes are required. It will not only handle temperature extremes but also harsh environments with chemical and solvent exposure. Typical uses include long-term outside storage, high temperature kiln tags, nursery and tree tags.

Printing Ribbons: EIM T96 / 97 or T84 / 85 Resin Ribbons

Compliance: RoHS
REACH SVHC
Conflict Metal Content

	Face Stock
Type	Plastic
