

Labels that Last

519 Removable Clear Void Label

Description: Designed for applications where a temporary, tamper evident security feature is required, but is also cleanly removed as needed. The adhesive is a unique removable acrylic that will generate the word VOID on the film side but does not leave residue on the applied surface. The performance may vary depending on the type and finish of the surface – testing is recommended.

Recommended Printing Ribbons: T68, T84 Resin Ribbons

	Face Stock	Adhesive	Liner
Type	Polyester	Removable	Glassine
Color	Clear	Patterned Clear	Blue
Caliper	1.5 mil	1.0 mil	3.5 mil
