Total Construction	6.2 mil		
	Temperature	Humidity	Shelf Life
Recommended Storage Conditions	70°F (21°C)	50% R.H.	One Year from date of manufacture

Service Life: Due to the wide variety of possible label applications and environmental conditions beyond our control, there is no warranty on service life once labels are put into use.

NOTE: Due to the variety of application conditions, Electronic Imaging Materials strongly encourages the end-user to do thorough testing of all label products under consideration to make sure they will meet the application requirements.
