

Labels that Last

1790 White Base-N-Switch™

Description: The adhesive side of this base label will permanently bond to many surfaces and the face has a surface for other labels to bond to and release from endless number of times.

This product is sold only in blank or preprinted form and comes with a protective overlamine.

Applications include but are not limited to warehouse bins, totes and racking, work-in-progress labels, and instruction labels.
